2 RISK ACKNOWLEDGEMENT

2.1 This Agreement being a distance contract and signing of the Agreement by either the client or the Company is not required in order for the Agreement to be considered legally binding on both the Company and its clients. This means the Agreement without being physically signed has the same judicial power and rights as a signed one.

2.2 When You accept the Client Agreement and any other legal documents of the Company by 'click' in the appropriate space / tick-box, or on the 'I accept' button, 'Submit' button, or on similar buttons or links as may be designated on our website, you will be deemed to have 'signed' and/or acknowledged the documents to the same extent and with the same effect as if you have signed the documents manually. To the extent permitted under applicable mandatory law, you hereby waive any rights or requirements under any applicable laws and/or regulations in any jurisdiction, which require an original (non-electronic) signature or delivery or retention of non-electronic records.

2.3 You hereby expressly acknowledge your understanding that you have the right to withdraw your consent to the electronic delivery and signature of the documents at any time by providing prior written notice to us. However, if you revoke your consent, your access to an/or use of our services may be restricted or terminated, at our sole discretion and without any obligation on our end to provide you with any explanation and/or justification thereof.

2.4 The Agreement shall be binding to both Parties, the Company and the Client, upon accepting electronically and/or in written form the Company's Client Agreement and shall exist for the benefit of both Parties and their permitted successors and assignees.

2.5 The Client acknowledges, recognises and understands that trading and investments in leveraged, as well as, non-leveraged contracts is:

2.6.2 when the Client directs Oneprime Ltd to enter into any transaction, any profit or loss arising as a result of a fluctuation in the value of the asset or the underlying asset will be entirely for the Client's account and risk;

4.4 In relation to any transaction or Contract, Oneprime Ltd will effect such transaction or Contract as Principal unless it is specifically agreed that Oneprime Ltd shall act as

Agent for the Client.

- 4.5 The Client shall, unless otherwise agreed in writing, relative to Oneprime Ltd enter into Contracts as Principal.
- 4.6 If the Client acts as Agent, regardless of whether the Client identifies the Principal to Oneprime Ltd, Oneprime Ltd shall not be obliged to accept the said Principal as a client, and consequently Oneprime Ltd shall be entitled to consider the Client as Principal in relation to the Contract.
- 4.7 When the Client enters into a Contract Option with Oneprime Ltd, Oneprime Ltd will act as counterparty to the Client. Oneprime Ltd will enter into a contract with a Counterparty which is identical in all respects to the contract between Oneprime Ltd and the Client. The Counterparty will in turn enter into a contract on the relevant exchange (unless Market Rules requires the Counterparty to act as Oneprime Ltd's agent in which case Oneprime Ltd will enter into a contract on the exchange). The Client is contracting with Oneprime Ltd and has no right of recourse against Oneprime Ltd's Counterparties or any right over contracts between Oneprime Ltd and its Counterparties.
- 4.8 In the event Oneprime Ltd provides advice, information or recommendations to the Client Oneprime Ltd shall not be responsible for the profitability of such advice, information or recommendation as further stipulated in Clause 20, and the Client acknowledges, recognizes and understands that:
- 4.8.1 All transactions in exchange-traded investments and many Contracts will be effected subject to, and in accordance with, Market Rules;
- 4.8.2 Market Rules usually contain far-reaching powers in an emergency or otherwise undesirable situation;
- 4.8.3 If any exchange or clearing house takes any action which affects a transaction or Contract, directly or indirectly, including any Contract Option, then Oneprime Ltd is entitled to take any action relevant to the situation and reasonable to the parties in the interests of the Client and/or Oneprime Ltd;
- 4.8.4 Oneprime Ltd shall not be liable for any loss as further stipulated in Clause 20 and suffered by the Client as a result of the acts or omissions of any exchange or clearing house or any action reasonably taken by Oneprime Ltd as a result of such acts

or omissions unless Oneprime Ltd has exercised gross negligence in connection hereby;

4.8.5 Where any transaction is effected by Oneprime Ltd as Agent for the Client, delivery or payment (as appropriate) by the other party to the transaction shall be at the Client's entire risk;

4.8.6 Oneprime Ltd's obligation to deliver investments to the Client or to account to the Client or any other person on the Client's behalf for the proceeds of sale of investments shall be conditional upon receipt by Oneprime Ltd of deliverable documents or sale proceeds (as appropriate) from the other party or parties to the transaction;

4.8.7 Oneprime Ltd may in whole or in part, on a permanent or temporary basis withdraw any account facility provided by Oneprime Ltd to the Client. Situations where Oneprime Ltd may take such action include situations where:

4.8.7.1 Oneprime Ltd considers that the Client may be in possession of Inside Information;

4.8.7.2 Oneprime Ltd considers that there are abnormal trading conditions; or

4.8.7.3 Oneprime Ltd is unable to calculate prices in the relevant Contract due to the unavailability of the relevant market information.

4.8.8 Oneprime Ltd informs the Client of the withdrawal and the reasons for it, where possible, before the withdrawal and if this is not possible immediately thereafter, unless giving such information would compromise objectively justified security reasons;

4.8.9 Oneprime Ltd reserves a right to raise commission on withdrawal up to 4.5% in case there is no sufficient trading activity between last deposit and withdraw request.

4.9 Normally, Oneprime Ltd shall not provide any advice to the Client on any tax issues related to any Services. The Client is advised to obtain individual independent counsel from its financial advisor, auditor or legal counsel with respect to tax implications of the respective Services.

4.10 Notwithstanding any other provision of this Agreement, in providing its Services, Oneprime Ltd shall be entitled to take any action considered necessary and reasonable

to ensure compliance with the Market Rules and all other applicable laws and regulatory decisions.

5 DEALINGS BETWEEN THE COMPANY AND THE CLIENT

5.1 The Client may provide Oneprime Ltd with oral instructions through recorded telephone or written instructions (which shall include instructions provided via the internet or by e-mail as described below). Oneprime Ltd shall acknowledge the reception of the instructions orally or in writing, as appropriate.

5.2 The Client shall inform Oneprime Ltd in writing of the persons the Client has granted a Power of Attorney to instruct Oneprime Ltd on behalf of the Client. For practical reasons, Oneprime Ltd can only undertake to register one Power of Attorney for the Client. If the Client at any time wishes to revoke such a Power of Attorney, to change the extent of the Power of Attorney, or grant Power of Attorney to a different person this shall also be informed to Oneprime Ltd in writing. Oneprime Ltd is in accordance with general rules regarding Power of Attorneys entitled to receive instructions from any person authorised by the Client as well as persons who appear authorised.

5.3 In addition to the terms listed on Oneprime Ltd's website and the terms stated in Section 6 regarding the Trading Platform, the following terms apply to Contracts executed on the internet:

5.3.1 Oneprime Ltd shall not undertake the risk towards Clients for any loss, expense, cost or liability suffered or incurred by the Client due to failure of the system, transmission failure or delays or similar technical errors unless Oneprime Ltd has exercised gross negligence in connection herewith, notwithstanding Clause 6.9;

5.3.2 Oneprime Ltd may offer real-time tradable prices to the Client. Due to delayed transmission between the Client and Oneprime Ltd the price offered by Oneprime Ltd may have changed before an order from the Client is received by Oneprime Ltd. If automatic order execution is offered to the Client, Oneprime Ltd shall be entitled to change the price on which the Client's order is executed to the market value at the time at which the order from the Client was received;

5.3.3 Prices offered by Oneprime Ltd regarding the sale, purchase or exercise of Contract Options reflect the price of the relevant exchange traded product. Due to delays from the Client's execution of an order or instruction regarding a Contract

Option to the execution of the relevant exchange traded product on the exchange, the price as listed on the Trading Platform is subject to change, in order for the Contract Option to reflect the price of the relevant exchange traded product at the time of its execution or exercise (as applicable);

5.3.4 The Trading Platform may be available in several versions, which may be differentiated in various aspects including, but not limited to the level of security applied, products and services available etc. Oneprime Ltd shall not be liable to the Client for any loss, expense, cost or liability suffered or incurred by the Client due to the Client using a version different from Oneprime Ltd's standard version with all available updates installed;

5.3.5 The Client shall be responsible for all orders, and for the accuracy of all information, sent via the internet using the Client's name, password or any other personal identification means implemented to identify the Client;

5.3.6 The Client is obliged to keep passwords secret and ensure that third parties do not obtain access to the Client's trading facilities;

5.3.7 If the Trading Platform is used for Commercial use the Client is liable to Oneprime Ltd for Contracts executed by use of the Client's password even if such use might be wrongful;

5.3.8 Regardless of the fact that the Trading Platform might confirm that a Contract is executed immediately when the Client transmits instructions via the Trading Platform, it is the Settlement/Trade Confirmation forwarded by Oneprime Ltd or made available to the Client on the Trading Platform which solely constitutes Oneprime Ltd's confirmation of execution.

5.4 Any instruction sent via the Trading Platform or by e-mail by the Client shall only be deemed to have been received and shall only then constitute a valid instruction and/or binding Contract between Oneprime Ltd and the Client when such instruction has been recorded as executed by Oneprime Ltd and confirmed by Oneprime Ltd to the Client through the Settlement/Trade Confirmation and/or Account Statement, and the mere transmission of an instruction by the Client shall not constitute a binding Contract between Oneprime Ltd and the Client.

5.5 The Client shall promptly give any instructions to Oneprime Ltd, which Oneprime Ltd

may require. If the Client does not give such instructions promptly, Oneprime Ltd may, at its reasonable discretion, take such steps at the Client's cost, as Oneprime Ltd considers necessary or desirable for its own protection or the protection of the Client. This provision is similarly applicable in situations when Oneprime Ltd is unable to obtain contact with the Client.

- 5.6 If the Client does not provide Oneprime Ltd with notice of its intention to exercise an option, a Contract Option or another Contract which requires an instruction from the Client at the time stipulated by Oneprime Ltd, Oneprime Ltd may treat the option or Contract as abandoned by the Client. If the Client wishes to exercise an option, Contract Option or another Contract, the Client must provide Oneprime Ltd with notice thereof in reasonable time (and within applicable cut-off times) for Oneprime Ltd to exercise the corresponding right under any contract equivalent to the Contract Option that Oneprime Ltd has entered into with any Counterparty. Contract Options (put and call) that close one tick or more in the money on the last trading day will automatically be exercised, regardless of whether the Client has purchased or sold the Contract Option. The Client cannot instruct Oneprime Ltd not to exercise Contract Options that are in the money at expiry and cannot at any time instruct Oneprime Ltd to exercise Contract Options that are out of the money.
- 5.7 Oneprime Ltd applies a random method of assignment among its Clients' Contract Options when Oneprime Ltd is notified by its Counterparties that one or more short option positions have been assigned. Oneprime Ltd's allocation method randomly selects short Contract Options among all Oneprime Ltd's Clients' positions, including Contract Options opened immediately prior to the assignment. All short Contract Options are liable for assignment at any time. If a short Contract Option is assigned, the Client is obliged, within the applicable time of delivery, to deliver the relevant amount of cash or assets in the case of a call Contract Option and the relevant amount of cash in the case of a put Contract Option, to effect settlement.
- 5.8 Oneprime Ltd may (but shall not in any circumstances be obliged to) require confirmation in such form as Oneprime Ltd may reasonably request if an instruction is to close an Account or remit money due to the Client or if it appears to Oneprime Ltd that such confirmation is necessary or desirable.
- 5.9 Pursuant to general rules regarding power of attorney the Client is accountable to Oneprime Ltd for losses which Oneprime Ltd may suffer as a result of instructions from

a person who has explicitly or tacit power of attorney to give Oneprime Ltd instructions on behalf of the Client.

- 5.10 Oneprime Ltd reserves the right in its absolute discretion to cancel, unwind, close out, repair, reinstate or take other action it may deem necessary with respect to open or closed trades of Client or instructions from the Client where the trades executed or instructions submitted would be in violation of, but not limited to, the Agreement, securities markets legislation, usual market practices, legislation on money laundering or insider trading or if the Client is using or has otherwise engaged proprietary or third party malicious and manipulative software or plugins or general trading style that in Oneprime Ltd's, its eligible counterparties' or liquidity providers' view, has the actual, suspected or potential nature of breaching the Agreement or relevant securities markets legislation or Oneprime Ltd believes that to execute its absolute discretion with the regards to the above matters is necessary to protect its own interests, or the interests of its Clients.
- 5.11 In general, Oneprime Ltd shall act according to instructions as soon as practically possible and shall, as far as trading instructions are concerned, act consistent with the broker's Best Execution Policy. However, if after instructions are received, Oneprime Ltd believes that it is not reasonably practicable to act upon such instructions within a reasonable time, Oneprime Ltd may defer acting upon those instructions until it is, in Oneprime Ltd's reasonable opinion, practicable to do so or as soon as possible notify the Client that Oneprime Ltd is refusing to act upon such instructions.
- 5.12 It is possible that errors may occur in the prices of transactions quoted by Oneprime Ltd. In such circumstances, without prejudice to any rights it may have, Oneprime Ltd shall not be bound by any Contract which purports to have been made (whether or not confirmed by Oneprime Ltd) at a price which:
- 5.12.1 Oneprime Ltd is able to substantiate to the Client was manifestly incorrect at the time of the transaction; or
- 5.12.2 was, or ought to have reasonably been known by the Client to be incorrect at the time of the transaction. In which case Oneprime Ltd reserves the right to either
- 5.12.2.1 cancel the trade all together or
- 5.12.2.2 correct the erroneous price at which the trade was done to either the price

at which Oneprime Ltd hedged the trade or alternatively to the historic correct market price.

5.13 Trading strategies aimed at exploiting errors in prices and/or concluding trades at off-market prices (commonly known as "sniping") are not accepted by Oneprime Ltd. Provided that Oneprime Ltd can document that there on the time of the conclusion of the trade were errors in prices, commissions, or in the Trading Platform, and provided Oneprime Ltd can render probable that the Client, based on its trading strategy or other provable behavior, deliberate and/or systematically has exploited or attempted to exploit such an error, Oneprime Ltd is entitled to take one or more of the following countermeasures:

5.13.1 adjust the price spreads available to the Client;

5.13.2 restrict the Client's access to streaming, instantly tradable quotes, including providing manual quotation only;

5.13.3 retrieve from the Client's account any historic trading profits that Oneprime Ltd can document have been gained through such abuse of liquidity at any time during the client relationship; and/or

5.13.4 terminate the client relationship immediately by giving written notice.

5.14 If the Client is more than one person (for example, joint account holders):

5.14.1 the liabilities of each such person shall be direct, joint and several;

5.14.2 Oneprime Ltd may act upon instructions received from anyone person who is, or appears to Oneprime Ltd to be, such a person, whether or not such person is an Authorised Person;

5.14.3 any notice or other communication provided by Oneprime Ltd to one such person shall be deemed to have been provided to all such persons; and

5.14.4 the rights of Oneprime Ltd under Clause 19 shall apply if an event described in Clause 19 shall be deemed to have occurred in respect of any one of such persons.

5.15 The Client agrees that Oneprime Ltd may record all telephone conversations, internet conversations (chat), and meetings between the Client and Oneprime Ltd and use such recordings, or transcripts from such recordings, as evidence towards any party

(including, but not limited to, any regulatory authority and/or court of law) to whom Oneprime Ltd at its reasonable discretion sees it to be desirable or necessary to disclose such information in any dispute or anticipated dispute between Oneprime Ltd and the Client. However, technical reasons may prevent Oneprime Ltd from recording a conversation, and recordings or transcripts made by Oneprime Ltd will be destroyed in accordance with Oneprime Ltd's normal practice. Consequently, the Client should not rely on such recordings to be available.

- 5.16 When the Client instructs Oneprime Ltd to enter into a position opposite to one or more of the Client's open positions, Oneprime Ltd will close out the opposite position in accordance with the FIFO principles unless the position has related orders or otherwise agreed.
- 5.17 The Client acknowledges that Oneprime Ltd has the right to, but not the obligation to close directly opposite positions. This applies not only when the positions are held on the same account, but also when they are held on separate accounts.
- 5.18 If the Client operates several Accounts (or subaccounts) and opposite positions are opened on different Accounts (or sub-accounts), Oneprime Ltd shall not close out such positions. The Client is specifically made aware that unless closed manually, all such positions may be rolled over on a continuous basis and thereby consequently all incur a cost for such roll-over.

6 SPECIAL NOTE ON THE USE OF THE TRADING PLATFORM

- 6.1 The technical requirements to which the Client's IT equipment, operating system, Internet connection etc. shall conform are described on Oneprime Ltd's website.
- 6.2 The Client shall enter his user ID and password when logging on to the Trading Platform. The Client should memorize the password. The Client is obligated to notify Oneprime Ltd without undue delay on becoming aware of unauthorized use of the Trading Platform, or if the Client suspects that the password has been misappropriated by a third party, the Client shall contact Oneprime Ltd immediately to block his Trading Platform. The Client can then order a new password. The Client is for a period of 18 months after notification entitled to request Oneprime Ltd to provide the Client with the means to prove that he made such notification.
- 6.3 The Client can block his Trading Platform at any time by contacting Oneprime Ltd.

Blocking the Trading Platform prevents other persons from accessing it. Open orders and positions placed on the platform before the blocking will not be affected by the blocking unless the Client specifically requests so, and the Client is responsible for deciding about his positions.

- 6.4 The right to use the Trading Platform is personal, and the Client shall not allow other persons to use his user ID and/or his password. If the Client wants to allow a third party to trade on the Client's account, the Client shall issue a separate power of attorney to the relevant third party. The power of attorney shall be written on one of Oneprime Ltd's power of attorney forms. The issue of the power of attorney shall be approved by Oneprime Ltd.
- 6.5 From the Trading Platform the Client can print reports on trading activities and his account balances.
- 6.6 Where the Client has placed an order which he subsequently regrets, the Client may request that the order be cancelled up until the time of execution. The Client is aware that Oneprime Ltd is under no obligation to cancel the order. A request for cancellation or an order can be made via the Trading Platform or by calling Oneprime Ltd Sales Trading. Requests concerning cancellation of orders generated when the margin is exceeded can only be made to Oneprime Ltd Sales Trading. An order shall not be considered to be cancelled until the Client has received a written confirmation from Oneprime Ltd.
- 6.7 The Client shall not be liable for unlawful use of the Trading Platform occurring after the Client has informed Oneprime Ltd.
- 6.8 Where the Trading Platform is used for Private Use, Oneprime Ltd shall be liable for direct losses resulting from defectively executed orders, unless defectively executed order is due to conditions for which the Client is liable. Oneprime Ltd shall not be liable for any indirect losses.
- 6.9 Oneprime Ltd shall not be liable for losses in cases of abnormal and unforeseeable circumstances beyond the control of Oneprime Ltd pleading for the application of those circumstances, the consequences of which would have been unavoidable despite all efforts to the contrary.
- 6.10 If the Trading Platform is used for Commercial use Oneprime Ltd shall not be liable for

any indirect losses and/or losses resulting from:

- 6.10.1 Operational failures preventing the use of the Trading Platform;
 - 6.10.2 Interruptions preventing the Client from accessing the Trading platform;
 - 6.10.3 Use of the Internet as a means of communication and transport;
 - 6.10.4 Damage caused by matters relating to the Client's own computer systems.
- 6.11 Oneprime Ltd shall not be responsible for losses resulting from the Client's installation and use of the computer programs used on the Trading Platform, unless such liability follows from indispensable rules of law. Where the Trading Platform is used for Commercial Use, the Client shall be responsible for ensuring that the Trading Platform is adequately insured against direct and indirect losses which may result from the installation and use of the computer programs in the Client's computer system. Furthermore, the Client shall be obliged to make backup copies of data which, should such data be lost, might result in losses for the Client.
- 6.12 Oneprime Ltd reserves the right to archive or disable the Client Account that is inactive (no trading and/or deposit/withdrawal activity) for at least 90 calendar days and has a balance of equal or less than 10 euros or equivalent in other currencies. The Client Account may be restored from archive only to generate a report/statement and not for trading or depositing. Restored Client Account is again put back to archive once the report/statement is generated. The Client may always open a new trading account and is allowed to transfer any archived balance to the new account. Oneprime Ltd is not obligated to inform the Client prior to or after archivation/disabling.

7 MARGINS, SECURITY, PAYMENTS AND DELIVERY

- 7.1 The Client shall pay to Oneprime Ltd on demand:
- 7.1.1 such sums of money by way of deposits, or as initial or variation margin as Oneprime Ltd may require. In the case of a Contract effected by Oneprime Ltd on an exchange, such margin shall be not less than the amount or percentage stipulated by the relevant exchange plus any additional margin that Oneprime Ltd at its reasonable discretion may require
 - 7.1.2 such sums of money as may from time to time be due to Oneprime Ltd under a Contract and such sums as may be required in or towards clearance of any debit

7.3 If the Client makes any payment which is subject to any price fluctuations, withholding or deduction, the Client shall pay to Oneprime Ltd such additional amount to ensure that the amount actually received by Oneprime Ltd will equal the full amount Oneprime Ltd would have received had no price fluctuations, withholding or deduction been made.

7.4 Payments into the Client's account are deposited by Oneprime Ltd on the condition of Oneprime Ltd receiving the amount in question. This shall apply irrespective of whether it has been explicitly stated in receipts or other notices of or requests for payment.

7.5 With the prior written agreement of Oneprime Ltd on each occasion, the Client may deposit Security with Oneprime Ltd or provide Oneprime Ltd with a guarantee or indemnity from a person and in a form acceptable to Oneprime Ltd instead of cash for the purpose of complying with its obligations. The Client is made specifically aware that Oneprime Ltd at its reasonable discretion may determine the value by which Security shall be registered and consequently contribute to Oneprime Ltd's demand towards the Client and Oneprime Ltd may continuously change such value of Security without prior notice to the Client.

7.6 The Client is made aware that securities held or deposited on the Client's account with Oneprime Ltd the Client cannot put up as collateral or guarantee for any of the Client's obligations towards a third party.

- 7.11 If the Client fails to provide any margin, deposit or other sum due under this Agreement in respect of any transaction Oneprime Ltd may close any open position without prior notice thereof to payment of any amounts due to Oneprime Ltd. This is further regulated in Clause 8.2 and Clause 18.
- 7.12 If the Client fails to make any payment when it falls due, the Client shall pay interest (from the due date and until payment takes place) on the outstanding amount at the rate stated in the Commissions, Charges & Margin Schedule stipulated on the website.
- 7.13 The Client is advised that Oneprime Ltd shall have the right, in addition to any other rights it may have under this Agreement, to limit the size of the Client's open positions (net or gross) and to refuse orders to establish new positions. Oneprime Ltd will inform

the Client as soon as possible regarding such refused orders and the reason for the refusals. Situations where Oneprime Ltd may exercise such right include, but are not limited to, where:

7.13.1 Oneprime Ltd has reason to believe that the Client may be in possession of Inside Information;

It is the Client's responsibility continuously to ensure that sufficient margin is available on the Account at any time. If practicably possible Oneprime Ltd shall notify the Client if the margin requirements are not met. If, at any time during the term of a Margin Trade, the margin available on the Account is not sufficient to cover Oneprime

Ltd's margin requirement, the Client is obliged to reduce the amount of open Margin Trades or transfer adequate funds to Oneprime Ltd. Even if the Client takes steps to reduce the size of open Margin Trades or to transfer sufficient funds to Oneprime Ltd, Oneprime Ltd may close one, several or all of the Client's Margin Trades or part of a Margin Trade and/or liquidate or sell securities or other property at the Client's account at its sole discretion without assuming any responsibility towards the Client for such action.

- 8.3 If Oneprime Ltd due to insufficient margin, cf. Clause 8.2, may close one, several or all of the Client's Margin Trades, the Client shall expect, unless otherwise agreed and confirmed by Oneprime Ltd that all of the Client's open Margin Trades will be closed.
- 8.4 If the Client has opened more than one Account, Oneprime Ltd is entitled to transfer money or Security from one Account to another, even if such transfer will necessitate the closing of Margin Trades or other trades on the Account from which the transfer takes place.
- 8.5 Oneprime Ltd's general margin requirements for different types of Margin Trades are displayed on Oneprime Ltd's web site. However, Oneprime Ltd reserves the right to determine specific margin requirements for individual Margin Trades.
- 8.6 The Client is specifically made aware that the margin requirements are subject to change without notice. When a Margin Trade has been opened, Oneprime Ltd is not allowed to close the Margin Trade at its discretion but only at the Client's instruction or according to Oneprime Ltd's rights under this Agreement. However, Oneprime Ltd will increase the margin requirements if Oneprime Ltd considers that its risk on a Margin Trade has increased as compared to the risk on the date of the opening.

In the event that the Client believes to have entered into a transaction or Contract, which should have produced a Settlement/Trade Confirmations or otherwise a posting on the Client's account, but the Client has not received such confirmation, the Client must inform Oneprime Ltd immediately when the Client ought to have received such confirmation. In the absence of such information the transaction or Contract may at Oneprime Ltd's reasonable discretion be deemed non-existent.

10 COMMISSIONS, CHARGES, AND OTHER COSTS

- 10.1 The Client shall be obliged to pay to Oneprime Ltd the commissions and charges set out in the Commissions, Charges & Margin Schedule which is available at our website.

10.8 Furthermore, the Client acknowledges, recognizes and accepts that the procedures described in Clause 10 and Clause 13 may result in additional indirect costs for the Client.

11 INTEREST AND CURRENCY CONVERSIONS

11.1 Subject to the Clause below and save as otherwise agreed in writing, Oneprime Ltd shall not be liable to:

11.1.1 pay interest to the Client on any credit balance in any Account or on any other sum held by Oneprime Ltd; or

- 11.1.2 account to the Client for any interest received by Oneprime Ltd on such sums or in- connection with any Contract.
- 11.2 The Client is entitled to interest on the basis of the Client's positive Net Free Equity in accordance with the terms in Oneprime Ltd's Commissions, Charges & Margin Schedule.
- 11.3 The Client is obliged to pay interest on the basis of the Client's negative Net Free Equity in accordance with the terms in Oneprime Ltd's Commissions, Charges & Margin Schedule.
- 11.4 Oneprime Ltd may vary such interest rates and/or thresholds for interest calculation without notice when changes are to the Client's advantage, or the grounds for changes are due to external circumstances beyond Oneprime Ltd's control. Such circumstances are:

them.

11.6.2 any cash currency deposit to another cash currency deposit for the purpose of purchasing an asset denominated in a currency other than the Client's base currency;

11.6.3 any monies held by Oneprime Ltd for the Client into such other currency as Oneprime Ltd considers necessary or desirable to cover the Client's obligations and liabilities in that currency.

11.7 Whenever Oneprime Ltd conducts currency conversions, Oneprime Ltd will do so at such reasonable rate of exchange as Oneprime Ltd selects. Oneprime Ltd shall be entitled to add a mark-up to the exchange rates. The prevailing mark-up is defined in the Commissions, Charges & Margin Schedule.

12 PLEDGE AGREEMENT

12.1 Any and all Security transferred to Oneprime Ltd by the Client or held by Oneprime Ltd or by Oneprime Ltd's Counterparties on behalf of the Client is pledged as a security for any liability that the Client may have or get towards Oneprime Ltd. Without limitation such Security shall comprise the credit balances on Accounts, the securities registered as belonging to the Client on Oneprime Ltd's books, and the value of the Client's open positions with Oneprime Ltd.

12.2 If the Client fails to fulfill any obligation under this Agreement, Oneprime Ltd is entitled to sell any pledged Security immediately without any notice or court action. Such sale shall take place by the means that Oneprime Ltd in its reasonable discretion determines and at the price that Oneprime Ltd in its reasonable discretion determines to be the best obtainable.

13 NETTING AGREEMENT

13.1 If on any date the same amounts are payable under this Agreement by each party to the other in the same currency, then, each party's obligations to make payment of any such amount will be automatically satisfied by netting. If the amounts are not in the same

currency, the amounts are converted by Oneprime Ltd in accordance with the principles referred to in Clause 11.

- 13.2 If the aggregate amount that is payable by one party exceeds the aggregate amount that is payable by the other party, then the party by whom the larger aggregate amount is payable shall pay the excess to the other party and the obligations to make payment of each party will be satisfied and discharged.
- 13.3 If the Client, at any time during the Client relationship, has a negative cash-balance in any Account, Oneprime Ltd is entitled but not obligated to net between the Client's Accounts. The Client shall bear all the charges and any other costs associated with such netting in accordance with the Commissions, Charges & Margin Schedule.
- 13.4 If the Client relationship is terminated according to Clause 23, the claims that the parties have against each other shall be finally discharged by means of netting (closed). The value of open Contracts shall be determined according to the principles set forth below and the final amount to be paid by one of the parties shall be the difference between the payment obligations of the parties.
- 13.5 Rates based on which the Contracts shall be closed shall be market rates applicable on the day on which Oneprime Ltd decides to close the Contracts.
- 13.6 Oneprime Ltd may at its reasonable discretion determine the rates by obtaining an offer from a Market Maker in the asset in question or by applying rates from electronic financial information systems.
- 13.7 When determining the value of the Contracts to be netted, Oneprime Ltd shall apply its usual spreads and include all costs and other charges.
- 13.8 This netting agreement shall be binding towards the estate and creditors of the parties to the client relationship.

14 MARKET MAKING

- 14.1 When Oneprime Ltd executes orders as Agent for the Client on a recognized stock or futures exchange, Oneprime Ltd will not be a party to such a trade as such orders will be executed in the trading system of the relevant exchange at the best price and the most favourable conditions available at the time of the order or according to the Client's

specific instructions, e.g. in a situation where the Client has chosen to limit the order. Oneprime Ltd will not include any additional spread in the price of the execution achieved for the Client but will be remunerated according to the Commissions, Charges & Margin Schedule.

14.2 In order for Oneprime Ltd to quote prices with the swiftness normally associated with speculative trading, Oneprime Ltd may have to rely on available price or availability information that may later prove to be faulty due to specific market circumstances, for instance, but not limited to, lack of liquidity in or suspension of an asset or errors in feeds from information providers or quotes from Counterparties. If so and if Oneprime Ltd has acted in good faith when providing the price to the Client, Oneprime Ltd may cancel the trade with the Client but shall do so within reasonable time and shall provide the Client with a full explanation for the reason for such cancellation.

14.3 Following execution of any position with a Client, Oneprime Ltd may at Oneprime Ltd's reasonable discretion subsequently offset each such client position with another client position, or a position with one of Oneprime Ltd's Counterparties or retain a proprietary position in the market with the intention to obtain trading profits from such positions. Such decisions and actions may therefore result in Oneprime Ltd off-setting client positions at prices different (sometimes significantly different) from prices quoted to clients, resulting in trading profits or losses for Oneprime Ltd. This in turn can raise the possibility of the Client incurring what may be seen as an implied cost (i.e. the difference between the price at which the Client traded with Oneprime Ltd and the price at which Oneprime Ltd subsequently traded with Counterparties and/or other clients) due to any profits realised by Oneprime Ltd as a result of the Market Making function. However, the Market Making function may involve significant costs to Oneprime Ltd if the market moves against Oneprime Ltd as compared to the price at which Oneprime Ltd traded with the Client.

14.4 The Client acknowledges, recognizes and accepts that the price quoted to the Client includes a spread when compared with the price to which Oneprime Ltd may have covered or expected to be able to cover the Contract in a trade with another client or a Counterparty. Furthermore, the Client acknowledges, recognizes and accepts that said spread constitutes remuneration to Oneprime Ltd and that such spread not necessarily can be calculated for all Contracts and that such spread will not be specified at the Settlement/Trade Confirmation or otherwise revealed to the Client.

- 14.5 The Client acknowledges, recognizes and accepts that Oneprime Ltd quotes variable spreads on options. The Client is specifically made aware that variable option spreads are affected by actual market conditions, which are beyond Oneprime Ltd's control. Oneprime Ltd does not guarantee any maximum or minimum quotable option spreads.
- 14.6 If the Client is an active trader and is undertaking numerous transactions, the total impact of as well visible as not visible costs may be significant. Consequently, the Client may have to obtain significant profits in the markets in order to cover the costs associated with trading activities with Oneprime Ltd. For very active Clients, such costs may over time exceed the value of the margin deposited. Normally, when trading margined derivatives, the lower the percentage of the applicable margin rate, the higher the proportion of the costs associated with executing a transaction.

15 AGGREGATION AND SPLIT

- 15.1 Oneprime Ltd is in accordance with the broker's Best Execution Policy entitled to aggregate the Client's orders with the broker's own orders, orders of any of the broker's associates and/or persons connected with Oneprime Ltd including employees and other clients. Furthermore, Oneprime Ltd may split the Client's orders when executing these. The orders will only be aggregated or split if Oneprime Ltd reasonably believes it to be in the best interest of the Client. On some occasions aggregation and split of the Client's order may result in the Client obtaining a less favourable price than if the Client's orders had been executed respectively separately or mutually.

16 CONFLICTS OF INTEREST

- 16.1 Oneprime Ltd, its associates or other persons or companies connected with Oneprime Ltd may have an interest, relationship or arrangement that is material in relation to any transaction or Contract effected, or advice provided by Oneprime Ltd, under this Agreement. By accepting this Agreement and Oneprime Ltd's Conflict of Interest Policy (which distinctly describes the general character and/or background of any conflict of interest) the Client agrees that Oneprime Ltd may transact such business without prior reference to any potential specific conflict of interest.

17 ONEPRIME LTD'S COUNTERPARTIES

- 17.1 In order to give effect to the Client's instructions, Oneprime Ltd may instruct a Counterparty selected at Oneprime Ltd's discretion and Oneprime Ltd shall do so

where the transaction is to be subject to the rules of an exchange or market of which Oneprime Ltd a member is not.

- 17.2 Oneprime Ltd shall not be responsible for errors committed by such Counterparties unless it is proven that Oneprime Ltd has not acted with sufficient care when selecting the Counterparty.

18 DEFAULT AND DEFAULT REMEDIES

- 18.1 The provisions contained in this Clause supplement any other rights that Oneprime Ltd or any of its associates have according to this Agreement, including but not limited to the Pledge Agreement referred to in Clause 12, and furthermore, any other rights that Oneprime Ltd has.

- 18.2 Oneprime Ltd reserves the right to retain, or make deductions from, any amounts which Oneprime Ltd owes to or is holding for the Client if any amounts are due from the Client to Oneprime Ltd or Oneprime Ltd's associates.

- 18.3 The Client authorises Oneprime Ltd, at Oneprime Ltd's discretion, at any time and without notice, to sell, apply, set-off and/or charge in any manner any or all of the Client's property and/or the proceeds of any of the same of which Oneprime Ltd or any of its associates or Agents has custody or control, in order to discharge any or all of the Client's obligations to Oneprime Ltd or to Oneprime Ltd's associates.

18.4.3 if the Client fails to provide assets for delivery, or take delivery of assets, under any Contract on the first due date;

18.4.4 if the Client dies or becomes of unsound mind;

- 18.4.6 if a petition is presented for the winding-up or administration of the Client;
- 18.4.7 if an order is made or a resolution is passed for the winding-up or administration of the Client (other than for the purposes of amalgamation or reconstruction with the prior written approval of Oneprime Ltd);
- 18.4.8 if any distress, execution or other process is levied against any property of the Client and is not removed, discharged or paid within seven days;
- 18.4.9 if any security created by any mortgage or charge becomes enforceable against the Client and the mortgagee or chargee takes steps to enforce the security or charge;
- 18.4.10 if any indebtedness of the Client or any of its subsidiaries becomes immediately due and payable, or capable of being declared so due and payable, prior to its stated maturity by reason of default of the Client (or any of its subsidiaries) or the Client (or any of its subsidiaries) fails to discharge any indebtedness on its due date;
- 18.4.11 if the Client fails to fully comply with obligations under this Agreement or any Contract, including refrains from complying with Margin requirements;

- 18.4.13 if Oneprime Ltd or the Client is requested to close a Contract (or any part of a Contract) by any regulatory agency or authority; or
- 18.4.14 if Oneprime Ltd reasonably considers it necessary for its own protection or the protection of its associates.
- 18.5 Upon the occurrence of an Event of Default, Oneprime Ltd shall at its discretion be entitled to:
- 18.5.1 sell or charge in any way any or all of the Client's collateral, assets and property which may from time to time be in the possession or control of Oneprime Ltd or any of its associates or Agents or call on any guarantee, without any notice or court order.

Sale of Security, assets and property shall take place by means that Oneprime Ltd in its reasonable discretion determines and at the price that Oneprime Ltd in its reasonable discretion determines to be the best obtainable, provided that Oneprime Ltd shall provide a 7-day notice period before realizing Security of any Client, unless immediate sale is necessary to avoid or limit a loss;

18.5.2 buy or sell any Security, investment or other property where this is, or is in the reasonable opinion of Oneprime Ltd likely to be, necessary in order for Oneprime Ltd to fulfill its obligations under any Contract and the Client shall reimburse Oneprime Ltd for the full amount of the purchase price plus any associated costs and expenses;

18.5.3 deliver any Security, investment or property to any third party, or otherwise take any action Oneprime Ltd considers to be desirable in order to close any Contract;

18.5.4 require the Client immediately to close and settle a Contract in such manner as Oneprime Ltd may in its reasonable discretion request;

The Client shall execute the documents and take the action as Oneprime Ltd may request in order to protect the rights of Oneprime Ltd and its associates under this Agreement or under any agreement the Client may have entered into with Oneprime Ltd's associates.

18.7 If Oneprime Ltd exercises its rights to sell any Security or property of the Client under this Clause, it will effect such sale, without notice or liability to the Client, on behalf of the Client and apply the proceeds of sale in or towards discharge of any of the Client's

obligations to Oneprime Ltd or to Oneprime Ltd's associates.

18.8 Without prejudice to Oneprime Ltd's other rights under this Agreement or under prevailing law, Oneprime Ltd may, at any time and without notice, combine or consolidate any of the accounts maintained by the Client with Oneprime Ltd or any of its associates and off-set any and all amounts owed to, or by, Oneprime Ltd or any of its associates in such manner as Oneprime Ltd at its reasonable discretion may determine.

25 MISCELLANEOUS

- 25.1 If at any time any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Agreement under the law of that jurisdiction nor the legality, validity or enforceability of such provision under the law of any other jurisdiction shall be in any way affected.
- 25.2 Oneprime Ltd shall not be liable to the Client for any failure, hindrance or delay in performing its obligations under this Agreement where such failure, hindrance or delay arises directly or indirectly from circumstances beyond its reasonable control. Such force majeure events shall include without limitation any technical difficulties such as telecommunications failures or disruptions, non-availability of Oneprime Ltd's website e.g. due to maintenance downtime, declared or imminent war, revolt, civil unrest, catastrophes of nature, statutory provisions, measures taken by authorities, strikes, lock-outs, boycotts, or blockades, notwithstanding that Oneprime Ltd is a party to the conflict and including cases where only part of Oneprime Ltd's functions are affected by such events.
- 25.3 If the Client's combined exposure in one or more margin trades reaches a level which - in case of an adverse market development - may lead to a significant deficit not covered by the Client's deposits and/or margin with Oneprime Ltd, Oneprime Ltd may in its reasonable discretion
- 25.3.1 increase the margin requirements and/or
- 25.3.2 reduce the Client's exposure by closing one or more or all of the client's open positions.
- 25.4 Furthermore, Oneprime Ltd is entitled in its reasonable opinion to determine that an emergency or an exceptional market condition has occurred. Such conditions shall include, but are not limited to, the suspension or closure of any market or the abandonment or failure of any event to which Oneprime Ltd relates its quote or the occurrence of an excessive movement in the level of any Margin Trade and/or underlying market or Oneprime Ltd's reasonable anticipation of the occurrence of such a movement. In such cases Oneprime Ltd may increase its margin requirements, reduce the Client's exposure, close any or all of the Client's open Margin Trades and/or suspend trading.

- 25.5 The Client may not assign its rights or delegate any of the Client's obligations under this Agreement or according to any Contract to others whereas Oneprime Ltd may assign its rights or delegate its obligations to any regulated financial institution.
- 25.6 For various investments, instruments and groups of Clients, Oneprime Ltd may provide additional business agreements. The Client acknowledges, understands and accepts that:
- 25.6.1 such business agreements made available to Clients shall constitute an addition to this Agreement; and
- 25.6.2 the Client should not undertake any transaction unless the business terms applicable for such investment instrument or group of Clients have been understood and accepted. Transactions undertaken by the Client notwithstanding above, shall be deemed as had this sub-clause indeed been complied with.
- 25.7 The rights and remedies contained in this Agreement are cumulative and not exclusive of any rights or remedies provided by law.
- 25.8 No delay or omission on the part of Oneprime Ltd in exercising any right, power or remedy provided by law or under this Agreement, or partial or defective exercise thereof, shall:
- 25.8.1 impair or prevent further or other exercise of such right, power or remedy; or
- 25.8.2 operate as a waiver of such right, power or remedy.
- 25.9 No waiver of pleading a default of a clause in this Agreement shall (unless expressly agreed in writing by the waiving party) be construed as a waiver of a future breach of the same clause or as authorizing a continuation of the particular breach.
- 25.10 The Client hereby ratifies all transactions with Oneprime Ltd effected prior to the Client's acceptance of this Agreement and agrees that the rights and obligations of the Client in respect thereto shall be governed by this Agreement.
- 25.11 By accepting this Agreement on behalf of a corporation or other legal entity, the person signing represents and warrants that he/she is authorised to act on behalf of such corporation or legal entity and to bind the same to this Agreement and all obligations arising hereunder. If at a later stage it becomes apparent that the signatory was not duly authorized to bind the corporation or legal entity, Oneprime Ltd will have the right to

seek restitution from this person. Furthermore, the signatory shall indemnify Oneprime Ltd against all liabilities, losses, damages, costs and expenses in relation to any claims or action brought against Oneprime Ltd as a result of the signatory holding out to be authorised to act and bind any such corporation or legal entity.

25.12 Client shall be able to communicate with Oneprime Ltd in English or any other language as Oneprime Ltd may offer from time to time. Oneprime Ltd may communicate with the Client in English or any other language agreed between the parties.

25.13 Oneprime Ltd or third parties may have provided the Client with translations of this Agreement. The original English versions shall be the only legally binding versions for the Client and Oneprime Ltd. In case of discrepancies between the English version and other translations in the Client's possession, the original English version provided by Oneprime Ltd on the website shall prevail.

26 RISK DISCLOSURE STATEMENT FOR TRADES IN FOREIGN EXCHANGE AND DERIVATIVES (INCLUDING CFD'S, FUTURES AND OPTIONS)

This brief statement, which constitutes an addition to this Agreement, does not disclose all of the risks and other significant aspects of trading foreign exchange and derivatives. In consideration of the risks, you should enter into transactions with the mentioned products only if you understand the nature of the contracts and the contractual legal relationship into which you are entering and the extent of your exposure to risk. Transactions in foreign exchange and derivatives are not suitable for many members of the public. You should carefully consider whether transacting is appropriate for you in light of your experience, objectives, financial resources and other relevant circumstances.

Appendix

1. FOREIGN EXCHANGE AND DERIVATIVES

1.1. Effect of "Leverage" or "Gearing"

Transactions in foreign exchange and derivatives carry a high degree of risk. The amount of initial margin may be small relative to the value of the foreign exchange or derivatives contract so that transactions are "leveraged" or "geared". A relatively small

market movement will have a proportionately larger impact on the funds you have deposited or will have to deposit; this may work against you as well as for you. You may sustain a total loss of initial margin funds and any additional funds deposited with Oneprime Ltd to maintain your position. If the market moves against your position and/or margin requirements are increased, you may be called upon to deposit additional funds on short notice to maintain your position. Failing to comply with a request for a deposit of additional funds, may result in closure of your position(s) by Oneprime Ltd on your behalf and you will be liable for any resulting loss or deficit.

Risk-reducing Orders or Strategies

- 1.2. The placing of certain orders (e.g. "stop-loss" orders, where permitted under local law, or "stop-limit" orders), which are intended to limit losses to certain amounts, may not be adequate given that markets conditions make it impossible to execute such orders, e.g. due to illiquidity in the market. Strategies using combinations of positions, such as "spread" and "straddle" positions may be as risky as taking simple "long" or "short" positions.

OPTIONS

1.3. Variable Degree of Risk

Transactions in options carry a high degree of risk. Purchasers and sellers of options should familiarize themselves with the type of option (i.e., put or call) which they contemplate trading and the associated risks. You should calculate the extent to which the value of the options must increase for your position to become profitable, taking into account the premium and all transaction costs. The purchaser of options may offset or exercise the options or allow the option to expire. The exercise of an option results either in a cash settlement or in the purchaser acquiring or delivering the underlying interest. If the option is on a future, the purchaser will acquire a futures position with associated liabilities for margin (see the section on Futures above). If the purchased option is out-of-the-money when it expires, you will suffer a total loss of your investment, which will consist of the option premium plus transaction costs. If you are contemplating purchasing out-of-the- money options, you should be aware that the chance of such options becoming profitable ordinarily is remote.

Selling ("writing" or "granting") an option generally entails considerably greater risk than purchasing options. Although the premium received by the seller is fixed, the seller may

sustain a loss well in excess of that amount. The seller will be liable for additional margin to maintain the position if the market moves unfavourably. The seller will also be exposed to the risk of the purchaser exercising the option and the seller will be obligated to either settle the option in cash or to acquire or deliver the underlying interest. If the option is on a future, the seller will acquire a position in a future with associated liabilities for margin (see the section on Futures above). If the option is "covered" by the seller holding a corresponding position in the underlying asset, in a future or in another option, the risk may be reduced. In case the option is not covered, the risk of loss can be unlimited.

Certain exchanges in some jurisdictions permit deferred payment of the option premium, exposing the purchaser to liability for margin payments not exceeding the amount of the premium. The purchaser is still subject to the risk of losing the premium and transaction costs. When the option is exercised or expires, the purchaser is responsible for any unpaid premium outstanding at that time.

Appendix

2. ADDITIONAL RISKS COMMON TO FOREIGN EXCHANGE AND DERIVATIVE TRANSACTIONS

2.1. Terms and Conditions of Contracts

You should ask the firm with which you deal about the terms and conditions of the

Contracts entered into and information on associated obligations (e.g. the circumstances under which you may become obligated to make or take delivery of the underlying interest of a futures contract and, in respect of options, expiration dates and restrictions on the time for exercise). Under certain circumstances the specifications of outstanding contracts (including the exercise price of an option) may be modified by the exchange or clearing house to reflect changes in the underlying interest.

2.2. Suspension or Restriction of Trading and Pricing Relationships

Market condition (e.g. illiquidity) and/or the operation of the rules of certain markets (e.g., the suspension of trading in any contract or contract month because of price limits or "circuit breakers") may increase the risk of loss by making it difficult or impossible to effect transactions or close/ offset positions. If you have sold options, this may increase the risk of loss.

Normal pricing relationships between the underlying asset and a derivative do not always exist. The absence of an underlying reference price may make it difficult to judge "fair" value.

2.3. Deposited Cash and Property

You should familiarize yourself with the protections accorded the Security you deposit by way of money or other assets in domestic and foreign transactions, particularly in the event of a firm insolvency or bankruptcy. The extent to which you may recover your money or other assets is governed by the legislation and local rules in the country at which the counterparty acts.

2.4. Commission and Other Charges

Before you begin to trade, you should obtain a clear explanation of all commission, fees and other charges for which you will be liable. These charges will affect your net profit or loss.

2.5. Transactions in Other Jurisdictions

Transactions on markets in other jurisdictions, including markets formally linked to a domestic market, may expose you to additional risk. Such markets may be subject to regulation, which may offer different or diminished investor protection. Your local regulatory authority will be unable to compel the enforcement of the rules of regulatory authorities or markets in other jurisdictions where your transactions have been effected.

2.6. Currency Risks

The profit or loss in transactions in foreign currency-denominated contracts in another currency than your account currency will be affected by fluctuations in currency rates where there is a need to convert from the currency denomination of the contract to the account currency.

2.7. Trading Facilities

Most open-outcry and electronic trading facilities are supported by computer-based component systems for the order-routing, execution, matching, registration or clearing of trades. As with all facilities and systems, they are vulnerable to temporary disruption or failure. Your ability to recover certain losses may be subject to limits on liability imposed by the system provider, the market, the clearing house and/or member firms. Such limits may vary: you should ask the firm with which you deal for details in this respect.

2.8. Electronic Trading

Trading on an electronic trading system may differ not only from trading in an open-outcry market but also from trading on other electronic trading systems. If you undertake transactions on an electronic trading system, you will be exposed to risks associated with the system including the failure of hardware and software. The result of any system failure may be that your order is either not executed according to your instructions, is not executed at all and a lack of capability to keep you informed continuously about your positions and fulfillment of the margin requirements.

2.9. Off-Exchange Transactions

In some jurisdictions firms are permitted to effect off-exchange transactions. The firm with which you deal may be acting as your counterpart to the transaction. It may be difficult or

impossible to liquidate an existing position, to assess the value, to determine a fair price or to assess the exposure to risk. For these reasons, these transactions may involve increased risks. Off-exchange transactions may be less regulated or subject to a separate regulatory regime. Before you undertake such transactions, you should familiarize yourself with applicable rules and attendant risks.
